Assure Medispa: the specialists

Meet our staff - Anna

Anna is one of Assure Medispa's Medical Aestheticians. Anna studied at the International School of Beauty Therapy in Claremont, and later undertook Dermal Therapy training at the Australasian Academy of Cosmetic Dermal Science and Curtin University.

Anna has a particular interest in treating clients of all ages who have problem breakouts, as well as clients who are suffering with post-acne scarring and hyperpigmentation.

Anna hails from Albany but now makes Perth her home - there's just so much more to do in Perth than there is in Albany! Anna has just completed the City to Surf in a personal best time - congratulations Anna!

Anna works full time, so is here Monday through Friday. Please call us on 9380 0380 to make your appointment to see her. Or email specialists@assuremedispa.com.au.

Depressed Acne Scars

Depressed acne scars are disfiguring and upsetting for those who have them. You don't have to put up with this scarring for ever - there is something that can be done.

At Assure Medispa, we offer Obagi Nu-Derm skin care which will help even the tone of your skin. We also offer the Obagi Blue Peel which is a 20% lactic acid peel designed to peel away the top layers of your skin, inclulding the less deep scars. This is a great peel, but expect downtime of a week to 10 days after treatment.

And there's Medical Skin Needling with a 1.5mm dermaroller - this is offered as either a single treatment ($500), or as a series of three treatments. The series of three treatments includes 2 skin care products (a Vitamin C and a Vitamin A), a take-home dermaroller and a bottle of sterilizing solution ($!,585). All Medical Skin Needling treatments also include an application by us of topical anaesthetic prior to treatment.

And for the particularly deep, stubborn acne scars you can see one of our Registered Nurses who can selectively fill the depressions with dermal filler.

Remember, the first appointment is always free - so if you or anyone you know wants to pop in for a chat about which acne scar treatment would be best for your skin, please just give us a ring on 9380 0380 or email specialists@assuremedispa.com.au .
