Assure Medispa: the specialists

We wish all our clients, their friends and families a very Merry Christmas and a Happy New Year!

Christmas Opening hours

We will be closed from 1pm on Friday 23rd December 2011 until 8am on Tuesday 3rd January 2012, with the exception of Wednesday 28th December. On Wednesday 28th December, Anna will be working all day - so if you need a treatment, or have run out of any products, we'll be here.

Might be a good idea to book your treatment early though - our mid-week opening between Christmas and New Year last year proved very popular.

- Helps to protect against future skin damage
- Stimulates collagen production for firmer, more resilient skin
- LIghtens and brightens skin for a more even tone
- Moisturisers and increases skin hydration for softer, smoother texture.

So December is a great time for new clients to book a free full facial analysis, find out which homecare is best for your skin, and pick up a free Vit C for your eyes when you buy your products. Existing clients can replenish their supply of homecare products in December and enjoy this promotion.

Assure Medispa differs from a standard spa in that it is owned and operated by plastic surgeons.

We offer non-surgical, non-invasive treatments including IPL (light) treatments, skin tightening, wrinkle relaxers, soft tissue fillers, facial peels and medical skin needling, microdermabrasion and pre- and post-operative care programmes of the type that can only be provided under medical supervision.

Typically, our clients are people who are interested in their appearance, who want healthy skin and who may not be ready for surgery or for whom surgery may not be appropriate.

Through the Western Australian Plastic Surgery Centre, our clients have access to a range of surgical procedures to enhance the results of their treatments.

We are conveniently located in Subiaco and have private access and parking facilities.
