Assure Medispa: the specialists

Sparkle! - Elspeth's Blog

Last month we introduced our Sparkle! program - a 30-day program of rejuvenating facial treatments and products to transform your skin, improve your look and help you sparkle with confidence.

Elspeth, who agreed to be our model, has allowed us to publish her diary of her Sparkle! journey - click here to read how she travelled through her 30 days.

And did you hear Shane and Kymba of Mix94.5's Big Couch start their Sparkle! program? Have a look at the website http://www.mix.com.au/shows/thebigcouch to see a video of our nurse Allison giving Shane his dermal filler. And if you keep an eye out on the MIx94.5 website over the next week or so, you will be able to see Shane and Kymba's final look.

If you would like to know more about Sparkle!, please ring us on 9380 0380 to book a time to have a free chat, or click here to follow the link to our website.

Winter is a great time to treat your skin...

Well, it would seem winter is well and truly here - 4º last Friday morning!

As winter is such a great time to get treatments (because we all spend less time in the sun) Assure Medispa is offering a 25% discount off all series of light based treatments for June and July only. Our light based treatments include Photonlite (LED), IPL™ skin rejuvenation and permanent hair reduction, and Titan skin tightening treatments.

For example, IPL™ facial rejuvenation treatment is $400 per treatment - but with a 25% discount on a series of three treatments, you will pay only $900; a series of 6 permanent hair reduction treatments on your full bikini line will be $900; a series of 2 Titan skin tightening treatments on your jowls (that you hate!) will be $1200 and a series of 12 LED treatments - which can be customised for for skin prone to breakouts, or to revitalise ageing skin, or to rid yourself of your fresh, pink stretchmarks - will be $900.

Dermal Rolling (Medical Skin Needling)

Recently, The Sunday Times published an article on Dermal rolling. Claire Davies reported that dermal rolling aims "to produce new collagen, the protein that gives our skin its spongy, plump feel".

Claire comments, "During the rolling, each needle penetrates the skin and stimulates the fibroblast cells in the dermis. Its these cells that produce collagen, the skin plumper; elastin - the fire that gives skin its bounce back - and glycsoaminoglycans which maintain and support both the collagen and elastin".

The plastic surgeons at Assure Medispa are pleased to have dermal rolling added to our range of treatments - we have available a single "try it out" treatment, or a series of three which can be customised to your particular skin condition.

You can ring us on 9380 0380, or go through to our website to learn more.

Introducing Obagi®

Assure Medispa is proud to be one of the very first suppliers of Obagi® Skin Systems in Western Australia. This exciting new range of skincare was developed in the US. Because the Obagi® Systems and Products contain physician-strength formulations, the systems are only available through physicians, primarily plastic surgeons, medical clinics and other skin care and medical specialists

Obagi® systems offer a course of treatments for all skin types and all skin conditions - from breakouts to ageing skin and hyperpigmentation; from the very fair "always burns"skin through the Asian complexions and into the darker complexions sometimes associated with Italy and Greece - if you know someone who has a skin condition and feels "nothing can be done", then it might be worthwhile letting them know about Assure Medispa and Obagi®. Come and have a chat - its free! Call us on 9380 0380 or email specialists@assuremedispa.com.au to set up a time.

And if its your birthday in June...

You are entitled to $50 off any of our treatments - the full range including our new Sparkle! package. Come in anytime between now and the end of June to use this special offer. Its a great chance to give yourself a birthday treat!

Any questions?

Or do you want to know more? You can email Jane at specialists@assuremedispa.com.au or just ring 9380 0380.

Assure Medispa differs from a standard spa in that it is owned and operated by plastic surgeons.

We offer non-surgical, non-invasive treatments including IPL (light) treatments, skin tightening, wrinkle relaxers, soft tissue fillers, facial peels and medical skin needling, microdermabrasion and pre- and post-operative care programmes of the type that can only be provided under medical supervision.

Typically, our clients are people who are interested in their appearance, who want healthy skin and who may not be ready for surgery or for whom surgery may not be appropriate.

Through the Western Australian Plastic Surgery Centre, our clients have access to a range of surgical procedures to enhance the results of their treatments.

We are conveniently located in Subiaco and have private access and parking facilities.

Wrinkle Relaxers | Dermal Fillers | Pulsed Light Treatment (IPL) | Titan Skin Tightening | Chemical Peels | Medi-Facials | Medical Skin Needling
Microdermabrasion | Medical Grade Skincare | Photonlite Therapy | Glo Minerals™ Make-up | Beau Visage™ Skin Assessment
