Assure Medispa differs from a standard spa in that it is owned and operated by plastic surgeons.

We offer non-surgical, non-invasive treatments including IPL (light) treatments, skin tightening, wrinkle relaxers, soft tissue fillers, facial peels and medical skin needling, microdermabrasion and pre- and post-operative care programmes of the type that can only be provided under medical supervision.

Through the Western Australian Plastic Surgery Centre, our clients have access to a range of surgical procedures to enhance the results of their treatments.

We are conveniently located in Subiaco and have private access and parking facilities.
